Aloha! I humbly offer to serve the residents of Senate District #19 as your State Senator.

As a life-long teacher/educator, small businessman, and former Honolulu City Councilman, I have the necessary background and experience to do an effective job tackling our community's problems, whether its traffic congestion, overcrowded schools, crime, or the high cost of living.

We need to elect leaders in government who genuinely care about our community. We need to elect citizen/legislators who we can trust, not career politicians. We need to elect leaders who will not abuse their position of power.

I want the opportunity to encourage people to get involved in the political process - to give them hope and let them know that their voice does count. This is what our democracy is all about!

It's time we get beyond petty partisanship. For many years I've worked effectively with legislators on both sides of the aisle and as your State Senator, I will do my very best to get the job done.

I'm convinced we can overcome the many challenges we face – as long as we always work together in the spirit of aloha (love) and kupono (the courage to stand up for what's right).

In this spirit of aloha and kupono, I offer to serve as your State Senator.
